Contract / 2023

Spécialisé dans l'aménagement des espaces professionnels, **CLEN Solutions** a sélectionné pour vous ses produits les plus pertinents pour répondre aux enjeux de performance des entreprises.

Révélatrice des tendances de travail, l'offre **CLEN Solutions** s'applique à allier confort, fonctionnalité et flexibilité pour toujours plus de quiétude et d'épanouissement.

Issu des marques en synergie **CLEN, COLUMBIA, MOBIMÉTAL** et **MANADE**, chaque produit témoigne d'une véritable exigence ergonomique et atteste de la volonté de proposer des produits de qualité, respectueux de l'environnement.

CLEN Solutions, specialized in the design of professional spaces, has selected for you its most relevant products to address the performance challenges of companies.

CLEN Solutions unveils the latest work trends and combines comfort, functionality and flexibility for greater peace of mind and fulfillment.

Resulting from the synergy of the brands CLEN, COLUMBIA, MOBIMETAL and MANADE, each product reflects a real ergonomic requirement and attests to the desire to offer quality products that respect the environment.

Ultra green Indoor/Outdoor Concept biophilique

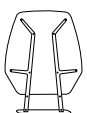

A dense forest of tall evergreen trees, likely spruce or fir, is shrouded in a thick mist or fog. The trees are tall and thin, with dark green needles. The mist is a pale, hazy greenish-white, creating a soft, ethereal atmosphere. The trees in the foreground are sharper, while those in the background fade into the mist. The overall scene is peaceful and serene.
